

REPORT FOR WORKSHOP QUALITY MANAGEMENT IN EDUCATION

Thursday- 15 November 2018

In association with the Deanship for Academic Development and Quality, Agency of Development and Quality of the College of Applied Medical Sciences, Abha, King Khalid University, supervised a symposium that was organized by the

Department of Medical Rehabilitation Sciences titled: "The Principles of Quality Management in Education" presented by Dr. Mohamed Saad Albanna, the University Consultant in Quality and

Strategic Planning.

Audience included 60 staff members and students from male and female sections (from all three Departments; Radiology – Laboratories – Physiotherapy) on the promising occasion of World Quality Day 2018,

held on Thursday the 15th of

November at the Auditorium Hall, Aseer Female Campus. The seminar started with a brief introduction of Dr. Mohamed Saad Albanna by Ms. Zeinab

Alghamdy (a lecturer from Medical Rehabilitation Sciences Department).

Dr. Albanna started his talk with the meaning and definition of Quality, then he focused on Quality Control, Quality Assurance and Quality

Management. The lecture was a combination of English and Arabic so all faculty members were enlightened and benefited. The Program ended with questions by the participants to the presenter after his thought provoking lecture. A memento and a certificate were given to Dr. Albanna by the Head of Medical Rehabilitation Sciences Department for his valuable effort. Finally, it was a successful event, and the College Agency for Development and Quality are grateful to all who participated in this Quality event especially: and the hard work and dedication of organizers (Dr. Ghada Koura, Assistant Professor, and the coordinator Ms. Rana Njaemi – from Medical Rehabilitation Sciences Department).
